Tips for Filling Out Waiver Forms For Dependents and Spouses

Recently, the Dynamic Waiver Forms process was launched for [eligible dependents and spouses](#). The project team has some tips to highlight when filling the form out:

1. The dependent/spouse must first complete, sign and submit **their own form**.
2. Only after the dependent completes their portion of the form will it route to the employee for their information and signature. **If using the same computer**, the dependent should log out of the Dynamic Form after completing the entry (vs. simply closing out of the page).

How to complete a Dependent Tuition Waiver:

1. The student will sign into the Dynamic Form using the following hyperlink: [Dependent Tuition Waiver](#) using the students' MEID and password.

** The student needs to sign in to start the Dependent Tuition Waiver. The form will autofill the **STUDENT INFORMATION** portion attached to the MEID and password from who logged in to complete the form.**

I certify that I am a spouse/unmarried dependent (less than 24 years old) of a Maricopa employee, who is currently a Full-Time Classified, Non-Classified or Specially-Funded employee of the Maricopa County Community College District.*

* -- Please Select --

I understand and agree that:

- * If it is determined that I am not eligible for a waiver, I am responsible for paying the full student cost of any courses I am enrolled in as of the drop/add period for the course(s). Eligibility may or may not be verified prior to the end of the drop/add period.
- * The number of withdrawals for the same course number (i.e., ECN211) is limited to two (2). Upon the third attempt, I may not use a tuition waiver to register for any course for which I have previously received two W, Y, Z or F grades and I must pay applicable course costs. The intent of this limitation is to address the potential (or possible) misuse of public funds for any activity indicating a pattern of non-participation, non-attendance and non-completion (e.g., multiple withdrawals or "Z" grades). **All such patterns can result in ineligibility to use the waiver benefit.**
- * I am eligible for a tuition waiver for up to sixteen (16) credit hours during the semester in which my spouse or parent is employed.
- * If you add or change classes at a later date within the same semester and college, you understand and agree to comply with the eligibility requirements. (revised 03/07/2021)
- * I understand and agree that: **Not meeting Standards for Satisfactory Academic Progress may change my waiver status to ineligible. Attendance in courses will be at my own cost. Appeals for reconsideration must be submitted to the Office of Public Stewardship.**
